My TomorrowMaker's Pledge

With heart, hands, and hope, I promise...

- I will care for all living things — big and small.
- I will protect pollinators and the places they call home.
- I will plant, build, and create where I can.
- I will learn about the Earth — and help others learn.
- I will use my voice and my actions to make a difference.
- I will act with kindness toward nature, people, and myself.

Because tomorrow is shaped by what we do today...
and every small action matters.

For Parents & Caregivers

This pledge helps children see that even small actions—like planting, learning, and showing kindness—can make a difference.

There's no need to do everything at once. Simply encourage curiosity, care, and connection to the natural world. Invite your child to print it, sign it, and display it—on a wall, the fridge, or wherever they choose.

That's how TomorrowMakers begin.

Small things, done together.
